**Dear Member,**

**RE: KASANJE LAND UPDATE**

Greetings from Management.

I have the pleasure to inform you we are in custody of the long awaited Kasanje land titles.

Members who still need to acquire land should visit/contact the SACCO office for details as there are still a few unsold Plots.

On the other note, members who made partial payments are reminded to complete their outstanding balances.

Please note that communication will be sent about when the issuance of land titles to their respective owners will be done.

Yours Sincerely,

**Oliver Wananda**

**General Manager**
